

Temporary Staff Reassignments at LESS!

The reassignment of MIOSHA director Doug Kalinowski as acting Deputy Director for the Michigan Department of Labor and Economic Growth has initiated a chain of reassignments that has resulted in new responsibilities for LESS staff.

Ron Ray, Program Manager of the Laboratory and Equipment Services Section has assumed duties as acting Director of the Management and Technical Services Division of MIOSHA.

Kevin Worden, Quality Assurance Officer of the Occupational Health Laboratory is now acting Program Manager of the Laboratory and Equipment Services Section in Ron's absence.

As a result, please direct all sampling and analysis inquiries to Kevin at (517) 322-2215 or email to kjworde@michigan.gov.

These events have created new challenges and responsibilities for several of our staff members, but please be assured that LESS will continue to provide the highest quality of service that you have come to expect.
